

Save money – become a member

One of our unique features is that we still offer you the opportunity to 'Pay and Play'. This means that you can take part in our activities without becoming a member. However, if you visit regularly the best option to make a saving is to become a member. Alternatively, you could pay a one-off fee and become a Centre Member which entitles you to 'member' rates which saves you money every time you visit any of our sports and leisure centres, plus advanced bookings. You'll have access to 9 leisure and sports centres in Bromley, Beckenham, Biggin Hill, Orpington and West Wickham.

UK Fitness Network

Bromley Mytime is part of the UK Fitness Network which offers swim, gym and group exercise classes that are open to UK Fitness Network Members at 100's of centres throughout the UK, providing more opportunities to exercise whether at work or at home or even on holiday!

Bromley Mytime is a charitable trust that re-invests surpluses to enhance sports, physical activity, arts and play facilities and services.
